

**BMW 3 Series
coupé**

318Ci
320Ci
325Ci
330Ci

**The world is full of amazing sights.
Some of them can even drive.**

01

A clear idea is what takes you to your destination.

03

**Good design is not an art.
It's a passion.**

□ **Sequential Manual Gearbox (SMG):** 'Paddles' on the steering wheel enable comfortable, precise gear-changing within 150 milliseconds – providing a sportier drive, just like in Formula 1 (available on 325i and 330i).

□ **Multifunction buttons for steering wheel:** Allowing you easy and rapid access to cruise control, radio and telephone – without taking your hands off the steering wheel.

□ **Navigation system:** The navigation system with its 16 : 9 (6.5") monitor does not just guide you quickly and accurately to your destination via its display arrows or map overviews. Now you can even view two applications at the same time. The split-screen function means you can operate the navigation system and the radio, for example, in tandem.

□ **Ski bag** allows clean and safe transportation of up to four pairs of skis with up to four people on board. If the ski bag is not required, it can be hidden away behind the centre armrest to save space.

■ **Easy access to rear seats:** The seat back is manually released (easy one-handed operation). The seat then glides effortlessly forwards for easier access to the rear seats.

□ **Sports seats:** The electrically adjustable sports seats for driver and front passenger, incl electric entry assistance to rear seats, provide optimum lateral support in every driving situation with their highly contoured seat sides. Seat height, seat back, seat angle and thigh support are individually adjustable.

■ **Through-loading system:** In combination with the asymmetric subdivision of foldable rear seat back (2 : 1), the through-loading system allows for easy transport of bulky or longer items.

□ **BMW Light-alloy V-spoke 72M wheels:** Size: 8 J x 18-inch, at the front, 8.5 J x 18-inch at the rear. Mixed tyres: 225/40 R 18 at the front, 255/35 R 18 at the rear.

□ **BMW Light-alloy double-spoke 68M wheels:** Size: 7.5 J x 17-inch, at the front, 8.5 J x 17-inch at the rear. Mixed tyres: 225/45 R 17 at the front, 245/40 R 17 at the rear.

□ **M sports package II:** An equipment package that provides almost infinite scope to meet the visual and technological needs for you to enhance the sporting appearance of your BMW 3 Series coupé. Includes among other things a special front air dam and rear apron, light-alloy double-spoke 68M wheels, sports seats with Alcantara cloth cover, Alu Black Cube interior trim and the M leather steering wheel.

Safety	318Ci	320Ci	325Ci	330Ci

The technical drawings show the following dimensions in millimeters:

- Front view:** Wheelbase 1471 mm, Track 1757 mm, Height 1369 mm.
- Side view:** Wheelbase 2725 mm, Overall length 4488 mm, Front overhang 953 mm, Rear overhang 926 mm.
- Rear view:** Wheelbase 1483 mm, Track 1947 mm.
- Top view:** Front overhang 1447 mm, Rear overhang 1402 mm.

All dimensions in millimetres. Luggage compartment capacity 410 litres (14.5 cu ft) (to VDA standard).

¹ The figure quoted includes a 90 % tank filling, 68 kg for the driver and 7 kg for luggage. Unladen weight applies to vehicles with standard equipment. Optional equipment may increase this figure.

² The overall weight of the trailer may not exceed the maximum permissible trailer load plus the maximum permissible towbar download.

³ The engines in the 3 Series coupé are designed for RON 98 fuel. The engines may be run on RON 91 fuel with a decrease in power and an increase in fuel consumption.

⁴ The six-cylinder in-line engines meet the EU3/D4 emissions standard. The four-cylinder in-line engine meets the EU4 emissions standard. Fuel consumption is determined in accordance with the ECE driving cycle made up of approximately one third urban traffic and two thirds extra-urban driving (based on the distance covered). CO₂ emissions are measured in addition to fuel consumption as such.

⁵ Electronically limited.

Values in [] apply to vehicles with five-speed EH automatic transmission.
